

Three H

SPACE 345

Jean Bourassa gives meetings the soup-to-nuts treatment with **Three H Conferencing**. The heart of the series is a boardroom table with handcrafted wood edge details and aluminum reveals. Among the coordinating table options is Executive Modular, featuring full-box modesty panels. And for a boardroom-worthy backdrop, **Three H WallTiles**—in laminate, fabric, or marker board—are constructed to form-fit existing walls. They can even be embedded with cabinetry or shelving or clad with aluminum slat rails.
